GREASE SPRAY

Grease spray

Description

Viscous grease spray with a good level of adhesive power; can be used as an alternative to a grease brush. Water and salt-water-resistant. Excellent corrosion and wear protection.

Product features

- water-resistant
- lubricating
- adhesive
- protects against corrosion

Notes

Shake the can well before use until the mixing ball is moving freely.

Field of application

MOTOREX GREASE SPRAY is perfect for lubricating slide bearings and roller bearings, fifth wheel couplings of commercial vehicles and joints of machines.

Application

Spray the surface briefly approx. 5–10 cm away and allow to dry. Repeat as necessary.
